

# MATERIALI E COLORI

VALIAMO mette al primo posto il design e la qualità dei materiali.

Utilizziamo pelli di primissima qualità trattate sintenticamente per renderle sicure e igieniche, ignifughe e resistenti. Tutte le nostre lavorazioni e rifiniture sono fatte a mano da personale specializzati

# COLOURS & MATERIALS

VALIAMO puts design and quality of materials first. We use top quality leathers that have been treated synthetically to make them safe and hygienic, fire retardant and resistant. All our work and finishing are done by hand by specialized personnel.

Guia geral de cuidados e limpeza	General Care and Cleaning Guide	Guide de nettoyage et de soins généraux	Cuidado General y Guía de Limpieza
<p>Para sujidades leves, uma solução de 10% de sabão líquido em água morna, Aplicado com um pano macio e húmido. Enxague com água limpa e seque.</p> <p>Para sujidade forte, humedeça um pano branco macio com uma solução de um para um (1: 1) de água limpa e detergente para uso doméstico, sem solvente e sem corante. Esfregue suavemente e enxague com um pano humedecido em água.</p> <p>Para manchas mais difíceis, humedeça um pano branco macio com uma solução de Branqueamento (10% de branqueamento / 90% de água). Esfregue suavemente e enxague com um pano humedecido em água para remover a concentração de lixívia.</p> <p>Não use com agentes de limpeza à base de álcool!</p>	<p>For mild dirt, a solution of 10% household liquid dishsoap in warm water, applied with a soft damp cloth. Rinse with clean water and dry.</p> <p>For heavy dirt, dampen a soft white cloth with a one to one (1:1) solution of an all-purpose, solvent and dye-free household cleaner water. Rub gently and rinse with a water dampened cloth.</p> <p>For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently and rinse with a water dampened cloth to remove bleach concentration.</p> <p>Do not use with alcohol based cleaning agents!</p>	<p>Pour la salissure légère, une solution de 10% de savon liquide en eau tiède, Appliqué avec un chiffon humide et doux. Rincer à l'eau propre et sécher.</p> <p>Pour une forte salissure, humidifier un chiffon blanc doux avec une solution individuelle (1: 1) d'une eau de nettoyage domestique sans solvant et sans colorants. Frotter doucement et rincer avec un chiffon humidifié.</p> <p>Pour des taches plus difficiles, humidifié un chiffon doux et blanc avec une solution de ménage Eau de javel (10% d'eau de javel / 90% d'eau). Frotter doucement et rincer avec un chiffon humide à l'eau pour éliminer la concentration en eau de Javel.</p> <p>Ne pas utiliser avec des agents de nettoyage à base d'alcool!</p>	<p>Para suciedad ligera, una solución de 10% de jabón líquido doméstico en agua tibia, aplicado con un paño húmedo suave. Enjuague con agua limpia y seque.</p> <p>Para suciedad abundante, humedezca un paño blanco suave con una solución de uno a uno (1: 1) de un agua limpiadora para uso general, solvente y libre de tinte. Frote suavemente y enjuague con un paño humedecido con agua.</p> <p>Para manchas más difíciles, humedezca un paño blanco suave con una solución de Blanqueador (10% de lejía / 90% de agua). Frote suavemente y enjuague con un paño humedecido con agua para eliminar la concentración de blanqueador.</p> <p>No utilizar con productos de limpieza a base de alcohol!</p>
